Northland Transitions Leadership

Apr 29, 2013
by MATTHEW R.
OLSON
at NORTHLAND

Dear Friends,

It has been a great joy for me to serve at Northland for these past eleven years. On Thursday, April 25, 2013, our board of directors determined it to be in the best interest of this ministry to move forward with new leadership. I accept this as a decision from the Lord as he sovereignly works through the authorities placed in my life. I plan to finish this current academic year through to May 11, 2013, doing everything I can to help the board, faculty, staff, and students, toward a healthy transition. I have a great desire to see Northland do well. I would also like to express a very sincere thanks to the Patz family for allowing Diane and me to be a part of what God is doing here in northeast Wisconsin. We look forward to what God has in the future and our hearts continue to burn for God's glory and the work of the great commission.

Your friend and fellow servant,

Matt Olson
